CORPORATE GOVERNANCE STATEMENT
2022

CORPORATE GOVERNANCE STATEMENT 2022

Kingsrose Mining Limited (**Kingsrose** or the **Company**) has established a corporate governance framework, the key features of which are set out in this statement. This statement relates to the Company's corporate governance practices for the financial year ended 30 June 2022.

The Company's corporate governance practices reflect the commitment by the Board of Directors to implementing the highest standards of ethics, integrity, legal and statutory compliance. In establishing the corporate governance framework of the Company, the Board has adopted practices that are consistent with the ASX Corporate Governance Council's Principles and Recommendations (4th Edition) (**Principles and Recommendations**). The Company has followed each recommendation where the Board has considered the recommendation to be an appropriate benchmark for its corporate governance practices. Where the Company has departed from any recommendations provided by the ASX Corporate Governance Council an explanation has been provided.

This Corporate Governance Statement is current as at 30 September 2022 and was reviewed and approved and authorised for release to the ASX by the Board of Directors on that date. It should be read in conjunction with the information on Kingsrose's website (www.kingsrosemining.com.au), the Company's Appendix 4G and the 2022 Annual Report released on 30 September 2022.

PRINCIPLE 1 - LAY SOLID FOUNDATIONS FOR MANAGEMENT OVERSIGHT

Recommendation 1.1

The Board is responsible for the overall performance and success of the Company, and takes responsibility for setting its strategic direction, overseeing management of the Company, monitoring financial performance, reviewing and monitoring systems of risk management and internal control. In addition, it oversees the corporate governance framework of the Company and monitoring the implementation of the Company's code of conduct, policies and charters that reflect the values of the Company and guide the conduct of its Directors and employees.

The Managing Director (**MD**), or equivalent, supported by Senior Management, is responsible for managing the day-to-day activities of the Company and in addition, is responsible for advancing the strategic direction of the Company as set and monitored by the Board.

The Company's Board Charter sets out the specific responsibilities of the Board, and those matters delegated to Senior Management.

A copy of the *Board Charter* can be found [here](#).

Recommendation 1.2

When considering Board appointments, the Company ensures that appropriate checks are undertaken to verify the candidate's character, experience, education, criminal record and bankruptcy history.

A profile of each Director is included in every Annual Report and the Company ensures that all material information relevant to a Shareholder's decision on whether to elect or re-elect a Director is provided to Shareholders in the relevant notice of meeting at which their election is proposed to be approved, as well as confirmation that appropriate pre-appointment checks have been conducted and whether the Board supports the Director's election or re-election and why.

A profile of each Director setting out their experience, expertise and period of office is set out in the Directors' Report in the 2022 Annual Report and on the Company's website by clicking [here](#).

Recommendation 1.3

The Company has in place a written agreement with each Non-Executive Director personally (rather than with an entity for supply of their services) which outlines the terms of their appointment, the Company's expectations in relation to Director's duties and responsibilities, time commitment and compliance with Company policies, procedures and regulatory requirements. In addition, the agreement sets out the indemnity and insurance arrangements that the Company has in place and the Company's policy on Director's access to information and seeking external independent professional advice. Any material variations to written agreements with Directors are disclosed to ASX in accordance with ASX Listing Rule 3.16.4.

The Company has written contracts in place with each Senior Executive which sets out the terms of their appointment, a description of their position, duties and responsibilities, remuneration details, leave entitlements and the circumstances giving rise to termination.

Further information can be found in the Remuneration Report in the 2022 Annual Report.

Recommendation 1.4

The Company Secretary is appointed by the Board and has a reporting function to the Board.

The Company Secretary has a direct line of communication with the Chairman and all Directors and is responsible for supporting the proper functioning of the Board which includes, but not limited to, facilitating Board and Committee meetings, providing advice on governance and procedural issues, communicating with ASX and the ASIC on all regulatory matters, monitoring adherence to Board policies and procedures and retaining all professional advisors at the Board's request.

Each Director has direct access to the Company Secretary and vice versa.

The responsibilities of the Company Secretary are set out in the *Board Charter* located [here](#).

Recommendation 1.5

The Company recognises that a talented and diverse workforce is a key competitive advantage and is committed to developing a workplace free from discriminatory practice of any kind. The Company strives to create an inclusive workplace in which individuals are treated fairly and equally with dignity and respect and where every employee has the opportunity to contribute to the Company's success whilst realising their full potential as an individual.

To this end, the Company has adopted an *Equal Employment Opportunity & Diversity Policy* whereby to the extent possible permitted by the laws of the jurisdictions in which it operates, there shall be no discrimination for or against any employee or applicant because of their race, religion, colour, gender, marital or family status, sexual orientation, gender identity, age, disabilities, national or ethnic origin, religious or political beliefs. Whilst the Company is committed to fostering diversity at all levels across the organisation, it firmly believes that this must be done on a non-discriminatory basis, always seeking to employ or promote the best qualified person for the job irrespective of race, religion, colour, gender, marital or family status, sexual orientation, gender identity, age, disabilities, national or ethnic origin, religious or political beliefs or any other personal attributes not relevant to the requirements of the job.

This *Equal Opportunity Employment & Diversity Policy* does not set measurable objectives specifically to achieve gender diversity.

A copy of the Company's *Equal Opportunity Employment & Diversity Policy* is located [here](#).

The respective proportions of men and women on the Board, in Senior Executive positions and across the whole organisation (including how the entity has defined “Senior Executive” for these purposes) as at 30 June 2022 is disclosed below:

	Female	Male
Board	0%	100%
Senior Executives ¹	0%	100%
Whole Organisation	25%	75%

Recommendation 1.6

The Chairman is responsible for the evaluation of the Board and, where appropriate, Board committees and individual directors in accordance with the Company’s *Process for Performance Evaluation*.

A performance evaluation of the Board was completed during the financial year, with a Board session carried out following the performance evaluation to discuss the results and address any issues that arose as a result of the performance evaluations.

The Company currently has only one committee – the Audit and Risk Committee. A performance review of the Audit and Risk Committee was undertaken as part of the Board Evaluation process during the financial year.

A copy of the Company’s *Process for Performance Evaluation* is located [here](#).

Recommendation 1.7

The Company has a *Process for Performance Evaluation* which, amongst other things, details the performance review process for Senior Executives.

A formal performance evaluation of the Managing Director and Chief Financial Officer was not completed during the financial year.

The Group’s current size and structure allowed the Chairman and the Board to regularly discuss the performance of all Senior Executives throughout the period, considering issues or concerns if and when they arose. This ongoing process remained informal.

A copy of the Company’s *Process for Performance Evaluation* is located [here](#).

PRINCIPLE 2: STRUCTURE THE BOARD TO BE EFFECTIVE AND ADD VALUE

Recommendation 2.1

Given the size and scale of the Company’s operations, the full Board undertakes the role of the Nomination Committee. The Board considers that the formation of a separate Nomination Committee would not provide any additional benefits. The Board as a whole (with abstentions from relevant Directors where there is a conflict of interest) carries out the role and has the responsibilities typically assumed by a Nomination Committee. These responsibilities include, but are not limited to, regularly reviewing the size and composition of the Board and consideration of any appropriate changes, identifying and assessing the necessary and desirable skills and competency levels of Directors with a view to enhancing the Board, and making recommendations on the appointment, re-appointment or removal of Directors if and when necessary.

The Board reviews the Company’s succession plans to assist in maintaining the appropriate mix of skills, experience, expertise and diversity on the Board.

¹ *The Senior Executives are the individuals at the highest level of organisational management who have the day-to-day responsibilities of managing the Company below the Board. The Senior Executives include the Company’s Managing Director, the Chief Financial Officer and the PTNM President Director.*

The Board ensures there are plans in place to manage the succession of the Managing Director or equivalent and other senior executives.

The Board may, when it considers it necessary or appropriate, seek advice from external consultants or specialists.

Recommendation 2.2

The Board recognises the need for Directors to have a relevant blend of skills and personal experience across a range of disciplines to properly manage and oversee the Company's operations. As part of the Board review process undertaken during the 2022 financial year, the Board discussed its composition and what mix of skills, knowledge and experience was necessary to direct the Company and allow the Board to operate effectively and efficiently.

The Board has developed a Board skills matrix (disclosed below) for each Director to self-assess their skills and experience considered relevant to the Company. Following a review of the Board skills matrix during the financial year, the Board concluded that its current composition is appropriate for the Company's current size and operations.

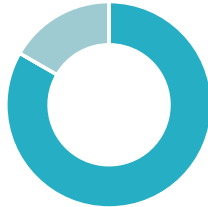

A profile of each Director setting out their experience, expertise and period of office is set out in the Directors' Report in the 2022 Annual Report and on the Company's website.

Any additional Board appointment made in the future will be undertaken with due consideration given to the balance and mix of skills on the Board and in accordance with the Company's *Policy and Procedure for Selection and (Re) Appointment of Directors*. A copy of this Policy is located **here**.

Recommendation 2.3

The Board recognises the importance of the Non-Executive Director and the role they play in exercising independent judgement and oversight of the Company's activities and the importance of ensuring that Non-Executive Directors are free from interests and relationships that could or could reasonably be perceived to materially interfere with the Director's ability to exercise independent judgment and act in the Company's best interests.

The Board annually assesses the independence of Directors taking into consideration the criteria of the type described in Box 2.3 of the Principles and Recommendations. This assessment may occur more than once each year if there is change in circumstances that may impact upon the independence of a Non-Executive Director. Individual Directors must not participate in assessing their own independence and must provide to the Board all information relevant to the assessment.

At the date of this report, four of the five Non-Executive Directors are independent, namely Messer's Carlile, Cooke, Corp and Dr Coughlin. The composition of the Board, each member's length of service and their status is outlined in the Directors' Report in the 2022 Annual Report.

The Company's process for assessing the independence of its Non-Executive Directors is outlined in its Board Charter, which can be found [here](#).

Recommendation 2.4

At the date of this report, four of the five Non-Executive Directors are independent namely Messer's Carlile, Cooke, Corp and Dr Coughlin.

Recommendation 2.5

The Board recognises that having an independent Chair can contribute to a culture of openness and constructive challenge that allows for a diversity of views to be considered by the Board.

At the date of this report, Chairman, Dr Andrews is a Non-Executive Director however is a substantial shareholder and associated with a material supplier of the Company (PT Promincon Indonesia; PTNM's drilling contractor), thereby not satisfying box 2.3 of the Principles and Recommendations. Notwithstanding Dr Andrews position as a substantial shareholder of the Company and relationship to PT Promincon Indonesia, the Board believes that Dr Andrews is the most appropriate person to lead the Board given his seniority, understanding of the Company's Indonesian assets and extensive industry experience.

The Board has adopted a set of Protocols outlining the process to be undertaken in the event of a conflict of interest arising concerning any director, and furthermore, have appointed Mr. Corp as Lead Independent Director in the event of a conflict of interest concerning the Chairman arises.

The roles of the Chairman and Managing Director are carried out by different persons.

Recommendation 2.6

All new Directors are provided with an induction facilitated by the Company Secretary including comprehensive meetings with the Managing Director and Chairman, Senior Executives and management, and provision of an information pack including the organisational structure, the Constitution, and Company and Board policies and charters. In addition, all new Directors are required to undertake a site visit either prior to their appointment, or as soon as practicable after their appointment to further assist their understanding of the Company and its operations.

All Directors are expected to maintain the skills required to effectively discharge their obligations to the Company. Directors are encouraged to undertake continuing professional education and subject to approval, the Company will pay reasonable expenses in relation to relevant industry seminars and education courses.

PRINCIPLE 3: INSTIL A CULTURE OF ACTING LAWFULLY, ETHICALLY AND RESPONSIBLY

Recommendation 3.1

The Company has a Board approved *Code of Conduct* identifying its values and expected behaviours and charges the Senior Executive team with the responsibility of instilling those values and behaviours across the Company.

The Company has not developed a separate 'values statement', instead currently relies on the *Code of Conduct* to provide the guiding principles and expected norms of the Company. A separate Values Statement is currently being developed and is expected to be adopted by the Board in the first half of FY 2023.

Recommendation 3.2

A copy of the Company's *Whistleblower Policy* can be found [here](#).

Recommendation 3.4

The Company has established a Compliance Guide (Anti-Bribery and Corruption) which provides clear definitions and guidelines for its directors, management, employees and associates to follow. It sets out the principles and standards expected of anyone working for or engaged by the Company. The Guide highlights the serious criminal and civil penalties that may be incurred.

A copy of the Compliance Guide is located [here](#).

PRINCIPLE 4: SAFEGUARD THE INTEGRITY OF CORPORATE REPORTS

Recommendation 4.1

The Board has established an Audit and Risk Committee (**Committee**), which is comprised of three independent, Non-Executive Directors and is chaired by Mr. Andrew Cooke, an independent, Non-Executive Director. Details of each member's qualifications are set out in the Directors Report of the 2022 Annual Report. The Board is of the view that the qualifications and experience of the members of the Committee are sufficient to ensure that all significant financial reporting matters and appropriately actioned, including the appointment and removal of external auditors and rotation of the audit engagement partner.

The Committee operate under the *Audit and Risk Committee Charter* which outlines the role, composition, functions, and responsibilities of the Committee.

The number of times the Committee met throughout the reporting period and the individual attendances of the members at those meetings is set out in Directors Report of the 2022 Annual Report.

A copy of the *Audit and Risk Committee Charter* can be found [here](#).

The Managing Director and Chief Financial Officer further declare, their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

Recommendation 4.3

When preparing reports for release to the market including the quarterly activity and cash flow reports these reports are prepared by, or under the supervision of, subject-matter experts and reviewed by the Managing Director and Chief Financial Officer for accuracy and material requirements before being presented to the Audit and Risk Committee for consideration and review. Following the review, a recommendation by the Audit and Risk Committee will be presented to the Board in relation to the approval of the quarterly cash flow report for release to the ASX.

PRINCIPLE 5: MAKE TIMELY AND BALANCED DISCLOSURE

Recommendation 5.1

The Company has a *Disclosure Policy* designed to comply with its disclosure obligations under the *Corporations Act 2001 (Cth)* and ASX Listing Rules to promote investor confidence in the Company. The Board has appointed the Company Secretary as the person responsible for communicating with ASX and overseeing and coordinating the timely disclosure of information to ASX, subject to prior review and approval of all announcements by the Directors. In addition, the *Disclosure Policy* sets out the obligations and accountability of all Directors, Officers, and employees of the Group in relation to confidentially and continuous disclosure.

A copy of the Company's *Disclosure Policy* is located [here](#).

Recommendation 5.2

The Board has appointed the Company Secretary as the person responsible for communicating with ASX and overseeing and coordinating the timely disclosure of information to ASX, subject to prior review and approval of all announcements in line with the approvals process outlined in the *Disclosure Policy*. The Company Secretary ensures that the Board are aware of when any announcement is due to go out and promptly receives a copy of all material ASX announcements following their lodgment.

A copy of the Company's *Disclosure Policy* is located [here](#).

Recommendation 5.3

The Company Secretary ensures any new and substantive investor and analyst presentations are released to the ASX Market Announcements Platform in compliance with ASX Listing Rule 3.1.

A copy of the Company's *Disclosure Policy* is located [here](#).

PRINCIPLE 6: RESPECT THE RIGHTS OF SECURITY HOLDERS

Recommendation 6.1

The Company's website www.kingsrosemining.com provides information on its Board and Management, key corporate documents, information regarding its projects, operations, strategic objectives, community involvement and links to all material periodically released to ASX.

The website also includes an option for Shareholders to register for inclusion in the distribution of email updates from the Company including but not limited to, ASX Announcements, Investor Presentations, Financial Statements and any other information deemed relevant.

The dedicated Corporate Governance section which contains links to key policies, procedures and charters of the Company is located [here](#).

Recommendation 6.2

The Company has a proactive approach to clearly and consistently communicating the Company's activities and objectives to Shareholders, the media and the wider investment community and actively encourages ongoing Shareholder engagement and feedback.

Given the size and scale of the entity's operations, the approach to investor relations is based on actively engaging with security holders at Shareholders' meetings and meeting with shareholders and investor groups upon request.

The Company's *Shareholder Communication and Investor Relations Policy* can be found [here](#).

Recommendation 6.3

The Company encourages the attendance of Shareholders at Shareholders' meetings, and a designated time is set aside for a question-and-answer session once the formal business of the meeting has been concluded.

The Company, through its Share Registry, has established an online voting facility to permit Shareholders to vote online if they are unable to attend the meeting.

It is intended that the Company will use virtual technology to facilitate remote participation at its 2022 Annual General Meeting to be held in November 2022.

The Company will provide further guidance in its Notice of Annual General Meeting to be released in October 2022.

Any general meeting held by the Company utilising virtual technology will be facilitated and conducted in a meaningful and effective way to provide members with a reasonable opportunity to participate in the meeting, including casting votes and asking questions of management and the Company's auditor.

The Company's *Shareholder Communication and Investor Relations Policy* can be found [here](#).

Recommendation 6.4

The Company, through its Share Registry, has established an online voting facility to permit Shareholders to vote online if they are unable to attend the meeting. All substantive resolutions at a meeting of Shareholders are decided by poll to ensure the true will of shareholders is ascertained (rather than by a show of hands, which is inconsistent with the "one security, one vote" principle in the ASX Listing Rules).

The Company's *Shareholder Communication and Investor Relations Policy* can be found [here](#).

Recommendation 6.5

The Company welcomes electronic communications from its Shareholders via its publicised email address info@kingsrosemining.com

The Company's website also includes an option for Shareholders to register for inclusion in the distribution of email updates from the Company including but not limited to, ASX Announcements, Investor Presentations, Financial Statements and any other information deemed relevant.

The Company's Share Registry also engages with Shareholders electronically and makes available a range of relevant information on its website. Shareholders can register with the Share Registry to receive all communication via electronic means, including the Annual Report and Notices of Meetings and can also register to access their personal information and details of their shareholdings via the internet.

PRINCIPLE 7: RECOGNISE AND MANAGE RISK

Recommendation 7.1

The Company acknowledges that it faces inherent risks in its activities, including economic, environmental and social sustainability risks, which may materially impact the Company's ability to create or preserve value for its Shareholders.

To this end, the Board has established an Audit and Risk Committee and one of its key roles and responsibilities is to ensure that the Company has in place a robust risk management framework to ensure sustainable and responsible business practices are ongoing and the Company's risk reporting and control measures are designed to ensure strategic, operational, legal, financial, reputation and other risks are identified and appropriately managed.

The Audit and Risk Committee is comprised of three independent, Non-Executive Directors and is chaired by Mr. Andrew Cooke, an independent, Non-Executive Director. Details of each member's qualifications are set out in the Directors Report of the 2022 Annual Report.

The Audit and Risk Committee operates under the *Audit and Risk Committee Charter*.

The number of times the Audit and Risk Committee met throughout the reporting period and the individual attendances of the members at those meetings is set out in Directors Report of the 2022 Annual Report.

A copy of the *Audit and Risk Committee's charter* is located [here](#).

Recommendation 7.2

The Company operates under a Risk Management Framework (**RMF**) which provides the process for risk management and internal control systems and applies to the management of all types of risk, financial and non-financial throughout the business.

The Board has established an Audit and Risk Committee and one of its key roles and responsibilities is to ensure that the Company has in place a robust risk management framework to ensure sustainable and responsible business practices are ongoing and the Company's risk reporting and control measures are designed to ensure strategic, operational, legal, financial, reputation and other risks are identified and appropriately managed.

The RMF requires the undertaking of an annual review of the Company's policies on risk oversight and management to satisfy itself that management has developed and implemented a sound system of risk management and internal control. Given the Company's change in operational status from producer to explorer, it was determined that the existing RMF is no longer fit for purpose. The need for a new risk management framework and risk register was identified during the financial year, and as such, is currently under development to better reflect the Company's size, scale and operational status.

Recommendation 7.3

The Company does not currently have a formal internal audit function; however, the Audit and Risk Committee oversees the effectiveness of risk management and internal control processes.

Management is charged with resourcing, operating and monitoring the system of internal control, incorporating risk responses in the form of controls into its management systems, and reporting results of the effectiveness of these systems to the Board.

Although no system of internal control can provide absolute assurance that the business risks will be fully mitigated, the internal control systems adopted by the Company have been designed to meet the Company's specific needs and the risks to which it is exposed. Internal control measures currently adopted by the Board include:

- Monthly reporting to the Board in respect of operational and financial performance.
- Monthly high level corporate risk reporting to the Board.
- Authority limits established for management which must not be exceeded unless prior Board approval is obtained.

- A compliance procedure for the purpose of ensuring compliance with the Company's continuous disclosure obligations.
- Regular reports to the Board by appropriate members of the management team and/or independent advisers, outlining the nature of particular risks and highlighting measures which are either in place or can be adopted to manage or mitigate those risks.

Recommendation 7.4

The Company, as an exploration company, faces inherent risks in its activities, including economic, environmental and social sustainability risks, which may materially impact the Company's ability to create or preserve value for its Shareholders.

To manage and mitigate these inherent risks, the Company has in place a suite of policies and procedures to ensure that it operates within a robust risk management framework and that sustainable and responsible business practices are ongoing.

The Company's exposure to material environmental or social risks are discussed in the Operations Review, Directors' Report and the financial statements all contained in the 2022 Annual Report.

PRINCIPLE 8: REMUNERATE FAIRLY AND RESPONSIBLY

Recommendation 8.1

Given the size and scale of the Company's operations, the full Board undertakes the role of the Remuneration Committee. The Board considers establishing a separate Remuneration Committee would not provide any additional benefits.

Although the Board has not established a separate Remuneration Committee, it has adopted a *Remuneration Committee Charter*, which describes the role, composition, functions and responsibilities of the Board in its capacity as the Remuneration Committee.

The procedures detailed in the Remuneration Committee Charter continue to be relevant and outlines the process employed by the Board of Directors for determining the structure of remuneration for Directors and senior executives.

No individual Director or senior executive is involved in deciding their own remuneration.

The Board will continue to assess the Company's circumstances and establish a Remuneration Committee when deemed appropriate.

A copy of the *Remuneration Committee's charter* can be found [here](#).

Recommendation 8.2

In accordance with good corporate governance practice, the structure of Non-Executive Director and Executive remuneration is separate and distinct.

Non-executive Directors are remunerated on a fixed fee basis for their time, commitment and responsibilities as part of an aggregate fee pool approved by Shareholders. Fees paid to Non-Executive Directors cover all activities associated with their role on the Board and any sub-committees. Remuneration for Non-Executive Directors is not linked to the performance of the Company.

Remuneration for Executive Directors and Senior Executives consists of fixed annual remuneration (base pay, superannuation and other non-cash benefits) and variable 'at risk' components (i.e., short-term and long-term incentives). Further details regarding the Company's remuneration policies and practices are contained in the Remuneration Report in the 2022 Annual Report.

Recommendation 8.3

The Company has an equity-based remuneration scheme. The Company's *Securities Trading Policy* prohibits key management personnel from entering into transactions or arrangements which limit the economic risk of participating in unvested entitlements under any equity-based remuneration scheme.

A copy of the Company's *Security Trading Policy* can be found [here](#).

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
