## 5 Resolution 2 – Re-Election of Mr Daryl Corp as director

Clause 14.2 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third, shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 14.2 of the Constitution is eligible for re-election.

Accordingly, Mr Corp is required to retire by rotation, and being eligible, offers himself for re-election as a Director.

Mr Corp has been a Director of the Company for a period of approximately 3 years since 19 November 2020.

Mr Corp is an experienced mining executive with over 40 years in the minerals industry in a wide range of both corporate and operational roles. This has involved base metals, iron ore and precious metals projects and operations, both in Australia and offshore.

Commencing his career as a graduate mining engineer in Broken Hill he moved to a role as Senior Mining Engineer with a small gold and base metals company before joining Newcrest Mining Limited in mid-1990. Whilst at Newcrest he progressed through technical roles to more senior roles where he developed broader corporate skills, holding a range of positions including Transformation Executive – Business Development, General Manager – ExCo Co-ordination and Projects, Head of Ore Reserves Governance, General Manager – Corporate Affairs, and Manager – Business Development.

Mr Corp managed feasibility studies for several underground gold mine developments and well as initial studies for both the Cadia Hill and Ridgeway mines. He was responsible for delivering permits required for development of the Gosowong Gold Mine in Indonesia, remaining with the project as Project Manager – Mining during the construction and early operations at Gosowong.

Mr Corp holds a Bachelor of Engineering in Mining from the University of Melbourne and a Diploma in Geoscience from Macquarie University. He is a Fellow of The Australasian Institute of Mining and Metallurgy.

Mr Corp is currently a Non-Executive Director of Sihayo Gold Limited, listed on the ASX.

The Company has confirmed Mr Corp's qualifications and material employment history and conducted an ASIC search and criminal history search of Mr Corp. Nothing of concern has arisen from these enquiries.

The Board considers Mr Corp to be an independent director.

Resolution 2 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 2.

The Board (other than Mr Corp who has a material interest in the outcome of Resolution 2) recommends the re-election of Mr Corp as a Director.

## 6 Resolution 3 – Re-Election of Dr Timothy Coughlin as director

Clause 14.2 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third, shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 14.2 of the Constitution is eligible for re-election.

Accordingly, Dr Coughlin is required to retire by rotation, and being eligible, offers himself for re-election as a Director.

Dr Coughlin has been a Director of the Company for a period of approximately 3 years since 19 November 2020.

Dr Coughlin is an exploration geologist with over 30-years of experience exploring for gold, copper, base metals and oil in Australasia, the Americas, Asia, the Middle East and Eastern Europe. Dr Coughlin was responsible for the discovery of new gold deposits in Peru and Armenia. He has held senior positions with major companies and founded and listed two successful exploration companies on the Toronto Stock Exchange.

Dr Coughlin is currently President and CEO of TSXV-listed and Latin America-focused Royal Road Minerals Ltd.

Dr Coughlin holds a Doctor of Philosophy (Ph.D.) in Andean Structural Geology and Tectonics from the University of Queensland.

The Company has confirmed Dr Coughlin's qualifications and material employment history and conducted an ASIC search and criminal history search of Dr Coughlin. Nothing of concern has arisen from these enquiries.

The Board considers Dr Coughlin to be an independent director.

Resolution 3 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 3.

The Board (other than Dr Timothy Coughlin who has a material interest in the outcome of Resolution 3) recommends the re-election of Dr Timothy Coughlin as a Director.

## 7 Resolution 4 – Approval of Incentive Plan

### 7.1 General

On 1 October 2022, amendments to the Corporations Act commenced, simplifying the process for incentivising participants under employee share schemes (**ESS**). Division 1A was introduced into Part 7.12 of the Corporations Act, providing a new regime for the making of offers in connection with an ESS (**New Regime**).

To ensure that the Company's ESS complies with the New Regime, Resolution 4 seeks Shareholder approval, pursuant to Listing Rule 7.2, Exception 13, to adopt the new incentive

option and performance rights plan (the **Incentive Plan**) and to enable Performance Rights, Options, and Shares upon exercise or conversion of those Performance Rights and Options to be issued under the Incentive Plan to eligible Directors, employees and contractors (**Incentive Securities**) to be exempted from Listing Rule 7.1 for a period of 3 years from the date on which Resolution 4 is passed.

A summary of the Incentive Plan, to be adopted pursuant to Resolution 4, is set out in Schedule 2.

The Incentive Plan is intended to assist the Company to attract and retain key staff, whether employees or contractors. The Board believes that grants made to eligible participants under the Incentive Plan will provide a powerful tool to underpin the Company's employment and engagement strategy, and that the Incentive Plan will:

- (a) enable the Company to incentivise and retain existing key management personnel and other eligible employees and contractors needed to achieve the Company's business objectives;
- (b) enable the Company to recruit, incentivise and retain additional key management personnel, and other eligible employees and contractors, needed to achieve the Company's business objectives;
- (c) link the reward of key staff with the achievement of strategic goals and the long-term performance of the Company;
- (d) align the financial interest of participants of the Incentive Plan with those of Shareholders; and
- (e) provide incentives to participants under the Incentive Plan to focus on superior performance that creates Shareholder value.

If Resolution 4 is passed, the Company will be able to issue securities to eligible Directors, employees and contractors under the Incentive Plan without using up any of the Company's 15% limit on issuing Equity Securities without Shareholder approval under Listing Rule 7.1 and the Company's 10% limit on issuing Equity Securities without Shareholder approval under Listing Rule 7.1A if Resolution 4 is passed.

If Resolution 4 is not passed, the Company may still issue securities to eligible employees and contractors under the Incentive Plan but any issue will reduce, to that extent, the Company's placement capacity to issue Equity Securities under Listing Rule 7.1 and Listing Rule 7.1A if Resolution 4 is passed for 12 months following the issue. In addition, the Company may still issue securities to Directors subject to shareholder approval under Listing Rule 10.11.

Resolution 4 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 4.

## **7.2 Listing Rule 7.1 and Listing Rule 7.2, Exception 13**

Listing Rule 7.1 provides that a company must not (subject to specified exceptions), without the approval of shareholders, issue or agree to issue during any 12 month period any equity securities, or other securities with rights to convert to equity (such as an Option or Performance Right), if the number of those securities exceeds 15% of the number of ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.2, Exception 13 provides an exception to Listing Rule 7.1. The effect of Shareholder approval under Listing Rule 7.2, Exception 13 is that any issues of securities under the Incentive Plan are treated as having been made with the approval of shareholders for the

purposes of Listing Rule 7.1. Approval under Listing Rule 7.2, Exception 13 lasts for a period of three years.

### **7.3 Specific information required by Listing Rule 7.2**

In accordance with Listing Rule 7.2 exception 13, information is provided as follows:

- (a) The material terms of the Incentive Plan are summarised in Schedule 2.
- (b) As the Incentive Plan is a new plan, no securities have been issued under the Incentive Plan.
- (c) The maximum number of Incentive Securities proposed to be issued under the Incentive Plan following Shareholder approval is 79,252,652 securities.
- (d) A voting exclusion statement is included in the Notice for Resolution 4.

### **7.4 Director Recommendation**

As the Directors are excluded from voting on this Resolution pursuant to the Listing Rules, the Directors decline to make a recommendation to Shareholders on this Resolution.

- 5 **Eligibility, invitation and application:** The Board may from time to time determine that an Eligible Employee may participate in the Plan and make an invitation to that Eligible Employee to apply for Employee Incentives on such terms and conditions as the Board decides.

An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A Part 7.12 of the Corporations Act. On receipt of an invitation, an Eligible Employee may apply for the Employee Incentives the subject of the invitation by sending a completed application form to the Company.

The Board may accept an application from an Eligible Employee in whole or in part. If an Eligible Employee is permitted in the invitation, the Eligible Employee may, by notice in writing to the Board, nominate a party in whose favour the Eligible Employee wishes to renounce the invitation. A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A Part 7.12 of the Corporations Act.

- 6 **Grant of Employee Incentives:** The Board will, to the extent that it has accepted a duly completed Application, grant the applicant the relevant number of Employee Incentives, subject to the terms and conditions set out in the Offer Letter, the Plan Rules and any ancillary documentation necessary.

- 7 **Terms of Employee Incentives:** Each Employee Incentive represents a right to acquire one Plan Share (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to an Employee Incentive being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Plan Share the subject of the Employee Incentives by virtue of holding the Employee Incentives. Subject to the terms and conditions of the Plan, a Participant may not assign, transfer, grant a security interest over or otherwise deal with an Employee Incentive that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to an Employee Incentive that has been granted to them.

- 8 **Vesting of Employee Incentives:** Any vesting conditions and/or performance criteria applicable to the grant of Employee Incentives will be described in the Offer Letter. If all the vesting conditions and/or performance criteria are satisfied and/or otherwise waived by the Board at its discretion, a Vesting Notification will be sent to the Participant by the Company informing them that the relevant Employee Incentives have vested. Unless and until the vesting Notification is issued by the Company, the Employee Incentives will not be considered to have vested. For the avoidance of doubt, if the vesting conditions and/or performance criteria relevant to Employee Incentives are not satisfied and/or otherwise waived by the Board, that Employee Incentives will lapse.

An Employee Incentive may not be exercised unless and until that Convertible Security has vested in accordance with the Plan Rules, or such earlier date as set out in the Plan Rules.

- 9 **Exercise of Employee Incentives and cashless exercise:** To exercise an Employee Incentive, the Participant must deliver a signed Notice of Exercise and, subject to a cashless exercise of Employee Incentives (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the Vesting Notification and the Expiry Date as set out in the Letter Offer.

At the time of exercise of the Employee Incentives, the Participant may elect to pay the Exercise Price for each Option by setting off the total Exercise Price against the number of Plan Shares which they are entitled to receive upon exercise. If the Participant elects to use this cashless facility the Company will issue to the Participant that number of Plan Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Employee Incentives.

10 **Market Value** means the market value of a Plan Share on the relevant date as determined by the Board in its discretion but will not be less than the volume weighted average price of Shares over the 5 Business Days immediately prior to the relevant date as shown on the official list of the ASX.

11 **Delivery of Plan Shares on exercise of Eligible Incentives:** Within 20 business days after the valid exercise of an Employee Incentives by a Participant, the Company will issue that Participant the number of Plan Shares to which the Participant is entitled under the Plan Rules.

12 **Forfeiture of Employee Incentives:** Where a Participant who holds Employee Incentives ceases to be an Eligible Employee or becomes insolvent, all unvested Employee Incentives will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Employee Incentives to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Employee Incentives held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan Rules, any Employee Incentives which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and any Employee Incentives which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

13 **Change of control:** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur:

13.1 the Participant may exercise any and all Options regardless of whether the Vesting Conditions have been satisfied, provided that no Option will be capable of exercise later than the Expiry Date;

13.2 the Board may in its discretion offer to the Optionholders on like terms as the change of control event, and if the holder has not accepted the offer within the time period specified by the Board, the Options, if not exercised within ten days of the end of that offer period, shall expire; and

13.3 all granted Performance Rights which have not yet vested or lapsed shall automatically and immediately vest, regardless of whether any performance criteria or vesting conditions have been satisfied.

14 **Rights attaching to Plan Shares:** Any Plan Shares allotted, issued or transferred by the Company to a Participant under the Plan will rank equally with all existing Shares, including those Plan Shares issued, directly, under this Plan, on and from the date of allotment, issue or transfer in respect of all rights and bonus issues, and dividends which have a record date for determining entitlements on or after the date of allotment, issue, or transfer of those Plan Shares.

15 **Disposal restrictions on Employee Incentives:** The Board, in its sole and absolute discretion, may determine, prior to an Offer being made, whether there will be any restrictions on the disposal of, the granting (or purporting to grant) of any Security Interest in or over, or otherwise on dealing with (or purporting to dispose or deal with), Plan Shares held by any Participants.

Plan Shares, or any beneficial or legal interest in those Plan Shares, may not be transferred, encumbered or otherwise disposed of, or have a Security Interest granted over them, by a Participant unless all restrictions on the transfer, encumbrance or disposal of the Plan Shares have been met, the Board has waived any such restrictions, or prior consent of the Board is

obtained which consent may impose such terms and conditions on such transfer, encumbrance or disposal as the Board sees fit.

- 16 **Adjustment of Employee Incentives:** Subject to any Applicable Laws, the number of Employee Incentives held by a Participant under the Plan may, in the sole and absolute discretion of the Board, be determined to be such number as is appropriate and so that the Participant does not suffer any material detriment following any variation in the share capital of the Company arising from:
- (a) a reduction, subdivision or consolidation of share capital;
  - (b) a reorganisation of share capital;
  - (c) a distribution of assets in specie;
  - (d) the payment of a dividend, otherwise than in the ordinary course, of an amount substantially in excess of the Company's normal distribution policy; or
  - (e) any issue of ordinary shares or other equity securities or instruments which convert into ordinary shares by way of capitalisation of profits or reserves.

If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction, of dividends or by way of dividend reinvestment), the number of Plan Shares which must be issued on the exercise of an Employee Incentives will be increased by the number of Plan Shares which the Participant would have received if the Participant had exercised the Employee Incentives before the record date for the bonus issue.

- 17 **Participation in new issues:** A Participant who holds Employee Incentives is not entitled to participate in any new issues of securities offered to Shareholders during the term of the Employee Incentives unless and until the Employee Incentives are exercised and the Participant holds Plan Shares.

- 18 **Amendment of Plan:** Subject to the following paragraph and the Constitution, the Board may at any time amend any provisions of the Plan Rules, including (without limitation) the terms and conditions upon which any employee Incentives have been issued under the Plan and determine that any amendments to the Plan Rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan Rules may be made if the amendment, in the opinion of the Board, materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by the Participant(s).

- 19 **Plan duration:** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

- 20 **Employee Share Trust:** The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Plan Shares for Participants under the Plan and delivering Plan Shares to Participants upon exercise or vesting of Employee Incentives.
